DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 2, 4, 6, 7, 10, 15-18, and 20-26 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Applicant's arguments filed August 8, 2005 are deemed persuasive and the application is now in condition for allowance. Specifically, the argument that an artisan would not be motivated to use a water-repellent electrode structure as the cathode of Koschany is persuasive (since the principle of operation of the Koschany apparatus utilizes water permeating through the cathode).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
